### **ClearPoint Health Appoints Gene Pompili as President of ClearPoint Solutions**

**COLUMBIA, SOUTH CAROLINA, February 22, 2024**—ClearPoint Health, an innovative medical stop-loss captive platform designed for small and mid-sized employers, proudly announces the appointment of Gene Pompili as President of ClearPoint Solutions, effective January 2024. Pompili joins the company with a robust background in strategic leadership, client engagement, and a profound expertise in the captive insurance industry.

In his new role, Pompili is set to steer ClearPoint Solutions toward its mission of transforming the landscape of employee health benefits. His responsibilities include executing the division's strategic vision for ClearPoint's captive platform, elevating carrier partnerships, enhancing client engagement, and ensuring operational excellence. Pompili's leadership is crucial for aligning the company with emerging industry trends, navigating regulatory landscapes, and spearheading unique product development efforts to broaden the reach and impact of ClearPoint's innovative programs.

"Gene's arrival at ClearPoint Solutions marks a significant milestone in our journey to innovate and transform healthcare insurance for small and mid-sized employers," said Jeb Dunkelberger, CEO of ClearPoint Health. "His passion and vision are exactly what we need to advance our mission and make a meaningful impact in the medical stop-loss marketplace."

Before his appointment at ClearPoint Solutions, Pompili distinguished himself through leadership roles at Roundstone Insurance, Ringmaster Technologies, and Oswald Companies. His experience and insight will be invaluable as ClearPoint expands its innovative insurance solutions, reinforcing the company's dedication to offering transparency, affordability, and improved healthcare outcomes to employers and their employees.

"I am excited to join the visionary team at ClearPoint Health and to lead the ClearPoint Solutions division into its next phase of innovation and growth," said Gene Pompili. "The potential to reshape the healthcare insurance industry is no longer just a goal as ClearPoint has proven the sustainability of an alternative model. I am committed to leveraging our unique platform to deliver purpose-built programs providing exceptional value and support to our clients."

ClearPoint Solutions is integral to ClearPoint Health's mission to create sustainable, affordable health insurance, meeting the evolving needs of today's employers and employees. Through its innovative insurance programs, ClearPoint serves employers ranging from 10 employees to over 1,500 employees, enabling both level-funded and self-funded options, and even offers a provider-sponsored product named CliniCaptive. ClearPoint is poised to redefine employer health benefits

with solutions that prioritize control, affordability, and transparency.
